### MAIN DEVELOPMENT OF SCRIPT:

#### PART 1. HOW THE BODY IS ORGANIZED

*(decide who is going to say what about how the body is organized from individual cells all the way to the complete organism. Develop the script for that person here.)*

## REVIEW AND SUMMARY:

(decide who says what about the review and summary. Each student on the team must discuss at least one important fact you want the audience to take away from your podcast. Hit the main points of your presentation):

"To summarize, the most important things we want you all to remember are,
